TITLE – AREA

Interior Design 1

COURSE DESCRIPTION

A full-immersion course that will provide students with an overview of the Italian design methodology. Students will be introduced to the analysis of the elements of space, and they will have the opportunity to focus specifically on interior design, and to dive into intensive project works.

COURSE OBJECTIVES

The aim of the course is to introduce students to the world of interior design in its most relevant aspects, and to teach them a design approach. Furthermore, the educational goal of the course is the development of a design consciousness through the exposure to different issues about the representation and the transformation of interior and relational spaces.

ADMISSION REQUIREMENTS

This course is intended for students who have no background in interior design and for students who are attending or will attend their first year of university studies in art and design.

OUTPUT

During the first phase students will be free to express their own research and observation of the space by hand drawings, digital graphics, movie, etc.

The contribution of digital media will help students collect all the impressions and will become a real tool, capable of memorizing and reproducing step by step a way to reprocess the knowledge gained during this experience.

Delivery details and format will be made available at the beginning of the course.

LIST OF MATERIALS AND TOOLS

- Laptop (if students have)
- USB Key
- Digital Camera
- HB pencil
- Rubber
